

a dead body, that has become cold last week-end!! This is no bluff; but, it is true, for all the careful and efficient surgery, the "patient" dead as he is, will not start his life again. Such training on the dumb objects is necessary to give the student the required experience before he can start his independent activities in the profession. Similarly, here too, the Lord provides Arjuna with some specific examples in order to teach him the ART OF SEEING THE UNSEEN THROUGH THE SEEN.

This intention in his heart is clear in his own confession in the second line: "BUT, BY BRIEF EXAMPLES ONLY HAVE I DECLARED MY DIVINE GLORY." The Lord has not exhausted Himself; but He chooses a few effective examples to educate the mind of His listeners. Those who have ardently meditated upon these examples, will learn to recognise the Infinite in all its unending resplendence enthroned in the bosom of every finite form.

IN SHORT, THE LORD SUMMARIES ALL THAT HE HAS SAID SO FAR:

*41. Whatever it is that is glorious, prosperous or powerful in any being, know that to be a manifestation of a part of My splendour.*

The above examples have made a frail attempt to indicate the glories of the Lord, but in no sense can those descriptions be considered as having defined the Truth.
